All payments are due at the time of service, without exception. If your insurance allows Naturopathic Care, we will submit reimbursement paperwork to your insurance company, as a courtesy to you. If you do not know if naturopathic medicine is covered, you can call your insurer to find out. Insurance may not cover all fees, such as vitamin injections or outside labs that are considered investigative. We will do our best to make you aware of these non-covered fees ahead of time, so that you can choose if you'd like to go forward.

We require 24 hours notice for canceled or rescheduled visits. There is no charge for visits canceled with 24 hours notice. Half the cost of the scheduled visit will be charged for cancellations with less than 24 hours notice. Full fee is charged if no notice is received.

Skype/Phone Consultations

Skype/Phone consultations are available for established patients. The fee for these consultations is \$30 per 15 minute increment.
